Initial orders or planned orders can only be edited if deadline for submission has not passed. Damage orders entered by the troop can be edited (not common for troops to have permission to create damage orders). If there is an order displayed with T2G(B), you must edit that order by editing the booth divider entries. See section on Smart Booth Divider for more information

## Transfer Order

There are four types of transfers a Troop user can create:

- Troop to Girl (T2G) – transferring packages to Girl Scouts from the troop inventory
- Girl to Girl (G2G) – transfer packages from one Girl Scout to another
- Girl to Troop (G2T) – transferring packages back to troop inventory from a Girl Scout
- Troop to Troop (T2T) – transferring packages (and financial responsibility) to another troop

Once a transfer is complete, you can print a receipt for your records, go to the Manage Orders page, or click “Make Another Transfer” to stay on the page and do another transfer.

### Troop to Girl (T2G) Transfers:

- Select Troop to Girl in the Type of Transfer box
- The From row will populate with your troop. On the To row, click the down arrow to select the girl receiving the packages
- Click Apply

The screenshot shows a web interface for a Troop to Girl (T2G) transfer. At the top, there is a dropdown menu labeled 'TYPE OF TRANSFER:' with 'Troop to Girl' selected. Below this, the 'From:' section is populated with 'SERVICE UNIT Abington' and 'TROOP 11111'. A blue bar below the 'From:' section displays 'Quantity: 1491 Packages' and 'Contact: Travis Sammons | (978) 269-6660 | tsammons@gsema.org'. The 'To:' section is partially populated with 'SERVICE UNIT Abington' and 'TROOP 11111'. A dropdown menu next to 'TROOP 11111' is open, showing 'GIRL Sample Girl' as the selected option. A blue bar below the 'To:' section displays 'Quantity: 20 Packages' and 'Contact: Travis Sammons | | tsammons@gsema.org'. A 'Reset' button is visible in the top right corner of the 'To:' section.

- Enter the number of packages, by cookie variety, to the Girl Scout in either the Packages or Booths Packages column
- Packages column – transferring packages to Girl Scouts with the financial responsibility attached
- Booths Packages column – transferring packages to Girl Scouts with no financial responsibility
- The best practice is to use the Smart Booth Divider to allocate booth packages sold. See section on Smart Booth Divider
- Once the packages are entered, you can add any order notes (optional) and then click Save to complete the transfer.

## Planned Order

Planned Orders are cookie orders for pick-up at cupboard locations during the sale.

To create a Planned Order:

- Navigate to Orders, Planned Orders
- Select the cupboard to pick-up from in the first box (a clickable Google map is shown to provide more location details) and click Continue
- Select the date and click Continue
- Select the time and click Continue

The screenshot shows a web form for creating a planned order. At the top, it displays 'TROOP 11111' and contact information for Travis Sammons. The form is divided into three main sections: 'CUPBOARD', 'DATE', and 'TIME'. The 'CUPBOARD' section shows 'Test Cupboard 0' with a Google map of Waltham, MA, and an 'Edit' button. The 'DATE' section shows 'Tuesday, May 29' with an 'Edit' button. The 'TIME' section shows '1 Hour' from '12:00 PM TO 01:00 PM' with an 'Edit' button.

Please note the council required Unit of Measure (UOM) for planned orders. Orders may be placed in cases, packages or cases/packages based on council settings.

- Enter the number desired, for each variety, in the boxes shown:

Clear Quantities			CASES
	Adventurefuls	\$0.00	<input type="text" value="0"/>

	Caramel Chocolate Chip	\$0.00	<input type="text" value="0"/>
<b>Totals</b>		<b>\$0.00</b>	<b>0</b>

- Re-check the order for accuracy and click “Save” when finished.

You can print a receipt for the order at this time. Planned orders will show as saved until the order is picked up and the cupboard manager has approved. Once the order is approved it will show as a cupboard to troop transfer on all troop records.

## Virtual Cookie Share

Virtual Cookie Share orders are designated as donation cookies and are ADDED to your troop’s sales. The troop is financially responsible for these cookies. Troops will not physical handle this inventory. Your council will process orders and deliver.

- Click Orders>Virtual Cookie Share
- Enter the number of donation packages for each girl
- Add any desired order notes
- Click “Save”

Name	Packages	Total
Test Girl	2	
Sample Girl	5

If cookie share cookies are sold at a booth, they should be entered in the Smart Booth Divider and cookie share order for the troop will be created.

## Rewards

Recognition Orders must be created so the Girl Scouts receive all of their earned recognitions based on sales and booth credit. Your council may have an early recognition, main recognition plan and troop recognition plan. Refer to your council’s instructions on what types of plans are available. Based on council recognition program the council may set up individual girl programs.

## Recognition Order

Troops must create the recognition order on or before the council published due date for recognitions. The order will automatically assign each girl the earned recognitions once the order is created. Once an order is created, the troop can go back through “Manage Recognition Orders” to edit the order.

- Navigate to Rewards>Create Reward Order
- Select the Order Type – available type will depend on council set up and dates.

- Once you select the order, the system will generate the recognition order.
- If a red triangle appears on any row, action is required to complete the order. The actions are either a choice between multiple items or sizes for apparel.

- Click the down arrow on the level indicated and complete the choice or size.

- Click on the button to select which recognition the Girl Scout would like or the correct size for apparel items.
- Once all selections are complete, the '!' icon disappears.
- Click Save to finalize this Girl Scout’s recognitions and then click the Recognition Order button on the top-left of the page to return to troop listing

- Any girl recognition orders marked unread do not have to be opened to save or submit the order.

 Membership Test	Packages sold: 0	UNREAD 
 rose cookie	Packages sold: 0	UNREAD 

- Promising practice is to wait to create the recognition order until after all transfers to girls are complete. If the order is created earlier and additional transfers are made, the order will update to award the girl(s) any additional recognitions. This may trigger a need to review needed action items.

## Manage Recognition Orders

Once an order is created and saved, any changes must be managed through the Manage Orders page. Navigate to Reward>Manage Recognition Orders
