

# Green Angel Award

The Green Angel Award is one of the easiest ways to show thanks to the adults in your Girl Scout community. We encourage you to think about who has been the “green angel” in your life this year. A parent could give this award as thanks to their daughter’s co-leaders, one co-leader could give it to another, or a Service Unit volunteer could give it to a fellow volunteer as a show of appreciation for all their hard work and dedication. The possibilities are endless!

The Green Angel Award is given as a certificate and patch, or certificate and pin. There is no paperwork involved! This is a great Girl Scout way to say thank you to a volunteer or adult who has provided a service to Girl Scouts. This award is given as a thank you in recognition of a short or long-term service to a troop or Service Unit.

We recommend first thanking a volunteer with the certificate and the Green Angel Patch, then you may honor the same volunteer again in the future with the certificate and Green Angel Pin. This award can be given at any time of the year at a troop meeting, or during a Service Unit meeting, event, or celebration.

A certificate template for the Green Angel Award. It features the Girl Scouts of Western New York logo at the top, followed by the title "Green Angel Award" and a green wings graphic. Below the graphic, it says "This certificate is awarded to" followed by a blank line. Underneath, it says "in recognition of your contribution to Girl Scouting." At the bottom, there are two sets of lines for "Signature" and "Date".
