

Initial Order Steps for Troops

Order is due by the troop on 2/7!

FIRST STEP: Troops enter their girl's initial orders

Placing an initial order ensures that your Girl Scouts have the cookies they need to fill their orders. This includes order card and/or any online orders marked as "girl delivery" in Smart Cookies whether they are paid for in advance or require payment at time of delivery.

ALL ORDERS MARKED FOR GIRL DELIVERY MUST be entered into the initial order grid along with her other orders.

- Parents must provide these girl delivery totals along with their order card totals.
- Troop leaders can see girl delivery orders by mimicking the girl, clicking on My orders>Manage My orders. The option to print the report of order is available.
