

Welcome to online re-registration!

First time to visit, click on **Create Login**. Returning users may enter their **User Name** and **Password**.

The screenshot shows a 'Login' form with the following elements:

- Header: **Login**
- Fields: 'UserName:' and 'Password:' with corresponding input boxes.
- Links: [Forgot Username?](#) and [Forgot Password?](#)
- Buttons: **Login** and [Create Login](#)

Annotations:

- An arrow points from the text 'Returning? Login' to the **Login** button.
- An arrow points from the text 'New to eBiz?' to the [Create Login](#) link.

You will be taken to the next screen to **Activate Your Account**. You have an account already if you have previously registered with the Girl Scouts of Western New.

Who should Create Login?

- Anyone who is or has been a member of the Girl Scouts of Western New York
- Anyone who was a member of one of our legacy councils
- Any reported parent or guardian of a girl member

Important: All members must log in their own unique account to renew their membership (or in the future register for programs & events).

- For this reason mom or dad must login on behalf of their daughters

Transferring from another council? Please ask for assistance from a registrar.

Activate Your Account

There are two options available for activation, and **we recommend using the "By Name and Email Address" option.**

by Customer/Membership ID

We have sent you information on activating your account to the email address you provided. Please check your email and follow the instructions in the email message.

A message will be displayed if your account has been validated by the Login process.

An email will be sent (to the address provided). This email will contain a link to continue on to Step 2 of the Login process.

Account Activation Step Two

The username that you choose now will be the username that you will be required to enter when you log into this site in the future. Please make note of your username and password for future use.

The password that you choose MUST be at least seven characters long.

Create User

User Name:	<input type="text" value="adia"/>
Password:	<input type="password" value="•••••••"/>
Confirm Password:	<input type="password" value="•••••••"/>
Choose a question	<input type="text" value="What is your pet's name?"/> ▼
Answer	<input type="text" value="oscar"/>
<input type="button" value="Create Account"/>	

Step Two - The user is directed to enter their User Name and Password. Confirm Password and choose a security question/answer. This added security measure ensures unauthorized users cannot log in as an existing customer simply by knowing their name and email address.
