JUNE RENEWAL: June 1-30, 2020

At a time when so many things we were looking forward to have been cancelled, the Girl Scout experience you know and love is still happening - and we are looking forward to continuing our program in new and innovative ways in the fall. If you or your girl are ready to renew now, we are offering a number of incentives including drawings for lots of Best Year Ever packs to make Girl Scouts even more fun!

Please note: our signature Renewal perk, Sage Tuition Rewards points, will be earned by girls, co-leaders and service unit managers who renew by September 30. Each SAGE Point equals \$1 in tuition/scholarship at over 400 colleges and universities. Girl renewal earns 2,500 points and Co-Leader/SUM renewal earns 3,500 points. That means a \$25 girl membership renewal equals \$2,500 in college savings!
