

Girl Scout Bridging Resources

Bridging from one level of Girl Scouting to another are important transitions in the life of a Girl Scout.

They are opportunities for girls to look back at their accomplishments and look forward toward the new adventures and challenges that lie ahead. Each level of Scouting, from Daisy to Ambassador includes a Bridging Award that can be earned by a Girl Scout. The Brownie level is unique in that there are also Brownie Wings. The wings signify that the girl has been a Brownie Girl Scout. Girls have received these “wings” when bridging up from Brownies since the 1920’s. When Brownies “fly up” to Juniors they earn their wings to wear on their uniform throughout all their levels of Girl Scouting.

At every level of Girl Scouting the Bridging Award has two steps:

Step 1 - Pass It On!

Girls share their talents, skills and Girl Scouting experiences with younger scouts. They can teach younger scouts a skill, song, or game. They can share memories of the Journeys and Badges they have earned. OR let the girls come up with their own unique way of passing it on!

Step 2 - Look Ahead!

Girls explore what it means to be a Girl Scout at the next level. They can ask older Girl Scouts about their experiences, talk to girls who have earned Higher Awards such as Bronze, Silver or Gold. They can attend a Girl Scout meeting of an older girl troop to see first-hand what the next level is all about.

A final step to Bridging is to celebrate!

Bridging is a defining moment when a girl becomes aware of her achievements and is ready for new adventures and responsibilities. Celebrating this change should be fun, personalized, and memorable for everyone involved. Most of all, it should be designed by the girls in true partnership with adults.

Bridging ceremonies usually take place at the beginning or end of the Girl Scout year and can have three parts:

- **Opening:** Guests are welcomed and the tone is set.
- **Main section:** The ceremony is explained and the girls celebrate moving from one level to the next.
- **Closing:** Girls can participate in friendship circles and thank their guests.
- Each of the ceremony's parts offers plenty of room for the girls' creativity and individuality. The ceremony should always focus on paying tribute to Girl Scouts as they move forward.

Tips, Hints, Ideas, and Resources for Your Next Bridging Ceremony:

- Devote sufficient time for planning the ceremony. Good ceremonies have a clear purpose and enrich the meaning and mood of the event.
- Add personal elements to traditional ceremonies. Use favorite poems, songs, stories, and sayings, or have the girls write something new.
- Make it symbolic but keep it fun. It can be sentimental but should also be fun for the girls. Including a flag ceremony, a poem recitation, girls saying what they've learned through the year are all great but if the girls are really not into all that, follow their lead and maybe encourage just one symbolic element.
- Include a physical bridge. There are a lot of ways to represent a bridge: an actual bridge in a park, a homemade bridge in a back yard, stepping stones, an archway, or you can simply walk from one end of the room to another!
- Don't go too crazy! Encourage the girls to keep it simple and meaningful rather than overdone and stressful.
- Above all, be thankful. The ceremony should include a few minutes where girls and leaders give thanks to their parents and family members who have helped them through the years. As the troop leader, you can take a moment to give them a special Girl Scout pin or certificate.

Volunteer Toolkit ~

The Volunteer Toolkit* is a digital planning tool that gives volunteers the resources and program content to get their year started! It is a great way to browse badge requirements and set up a new year plan for your troop. The Volunteer Toolkit (VTK) can be used from any computer or electronic device with internet capability.

The tool can be accessed our main website or our volunteer microsite by clicking the “MY GS” tab in each site’s top navigation.
