

Hello,
Brownies
iamgirlscouts™

Can you stand and recite the Promise and Law?

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do, *and to*
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

Outdoor Art Creator 1

Part 1 of 2

Find out how you can make your own art outdoors and have fun doing it! When you've earned this badge, you'll know how to venture outdoors to find and create different kinds of fun art projects!

Leave No Trace

Use the link below to review the GSUSA video on Leave No Trace principles and explore the organizations website in preparation for your outdoor adventure

Warmup Activity

What are some things you want to see when you go outdoors? Write them down on a piece of paper, this is the start of your “nature notebook”

Where do you go to see Art?

Did you say...

Museums?

Art Gallery?

School?

Art Show?

You're right!

What kinds of Art do you see at these places?

Did you say...

Paintings?

Sculptures?

Jewelry?

Photography?

You're right!

What makes these
things art?

They take skill?

They're pretty?

They make me feel
something?

You're right!

The best thing about art is that it can be found everywhere! Not just inside a museum, or on a wall somewhere. It's outdoors, too!

Get Outside!

**Go for a nature hike! Every time you see something that's in your notebook from our warmup activity, make a check mark next to it.*

** If you see something you like that's not in your notebook, draw it if you want to.*

Get Outside!

- * How many of the things you drew were you able to find outdoors?*
- * What new things did you draw?*
- * What things did you draw that you saw close up?
How about far away?*
- * What kind of patterns and shapes did you draw?*

Make art from the outdoors!

** Make a leaf rubbing by placing your paper over a leaf and gently rubbing over it with crayon or chalk. It works better when your leaf is on a flat surface.*

** Try it with different leaves. Find leaves with different patterns, shapes, and sizes. Make sure not to damage them and don't take leaves away from where you find them. You might try using different colored crayons or chalk for different leaves.*

What did we learn?

Today you started your Outdoor Art Creator adventure by seeing the world outside the way an artist would.

You created a beautiful nature gift by making a leaf rubbing. You also learned about Leave No Trace and how to help protect nature.

Get ready for part 2 of the Outdoor Art Creator Badge!
