*On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.*

*I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do, and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.*

F

rom a blue sky to a bird's song, nature can give you lots of ideas for art! Get ready to explore the outdoors and use what you see and hear to make different kinds of art projects.

Steps

1. See the colors of nature
2. Hear the sounds of nature
3. Share your outdoor art

Purpose

When I've earned this badge, I'll know how to look at nature like an artist and make my own outdoor art.

SEE THE COLORS OF NATURE

You probably noticed colors outside when they're very bright, like when you see pink flowers or a red bird. If you look a lot closer, though, you can see lots of different colors in nature.

STEP 1

MAKE A COLORFUL PAINTING OUTDOOR

Supplies needed:

Watercolor Paint

Paint brush

Construction or Art paper

Lemon juice

MAKE A COLORFUL OUTDOOR PAINTING

On a sunny day, go outside to a place where you can see lots of colors, maybe a park with flowers or a field with pretty trees and leaves. Have an adult help you set up a place to make a watercolor painting of what you see. It doesn't have to look exactly like it you can be as creative as you want to be!! When you're finished painting, drip little drops of lemon juice on your painting. When it dries, talk about how the lemon juice changed how your painting looked!

COLOR RACE GAME

Have a color race! Get dressed in some of your most colorful clothes. They don't have to match, that's part of the fun! Then buddy up in teams of two and find as many things you can outdoors that match the colors you're wearing. Have an adult help you set a timer for 10 minutes before you start.

Example:

If you or your teammate is wearing yellow socks and you see a yellow flower, your team gets a point

Have fun!

No sibling? Your adult can be your teammate, too! Or you and your adult can race each other!

Nice job!
You're one great amazing Daisy!!
