

GAME VISIONARY BADGE PART I

WITH THIS BADGE WE WILL HAVE FUN PLAYING
AND INVENTING GAMES FOR YOURSELF AND OTHERS!

STEPS

BREAK THE ICE!

**IMAGINE THE
WORLD'S A BOARD**

**CREATE A PHYSICAL
CHALLENGE (NEXT
WEEK)**

**GET PUZZLED!
(NEXT WEEK)**

**MAKE AN ULTRA
SCAVENGER HUNT
(NEXT WEEK)**

STEP 1: BREAK THE ICE! WITH PARTNER OR SOLO GAMES

Take some time this week to relax and play a few games! If you're stuck at home by yourself, listed below are some great games available online. Some also have printable options. If you have someone to play with try hosting a rock, paper, scissor tournament, or find a board game at home to play.

- <https://www.poptropica.com/>
- Color by Number <http://coloritbynumbers.com/>
- Sudoku <https://sudoku.game/>
- Solitaire <https://www.solitr.com/>
- Mazes <https://www.mathsisfun.com/games/mazes.html>
- Checkers <https://www.mathsisfun.com/games/checkers-2.html>

STEP 2: IMAGINE THE WORLD IS BOARD GAME

- Below there are two links. Use the first link to generate a bingo game to play with your family. Use the second link to play already made bingo games.
