Girl Scout Traditions and Fun!
Part 2

Welcome Back Seniors!

We are going to finish the Girl Scout Way Pt.2 badge
and incorporate fun GS traditions to complete !

Step1:
Girl Scout Music

Step 2:
Enjoy Girl Scout Traditions

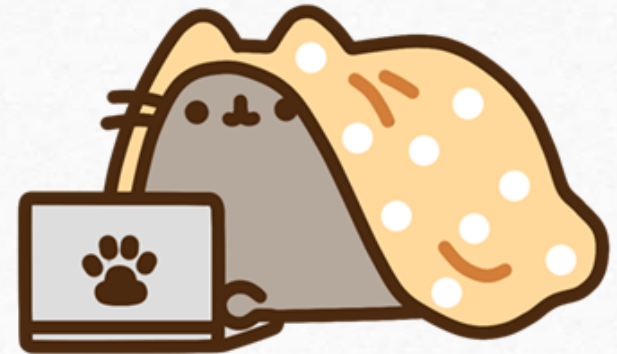

Step3:
Spread Sisterhood
(This Week)

Step 4
Impact your environment
(This Week)

THIS WEEK WE WILL COMPLETE
STEP 3 AND STEP 4

Step 3: Spread Sisterhood

- Option 1: Create your own list of laws tied to the Girl Scout Law.

Directions: As a Senior Girl Scout you are at the level where you are aware of what occurring in your community and you have the presence to change it. Write down the Girl Scout Law and leave space between each line. Then under each line write one commitment or action relating to the law that you will incorporate in your life.

Step 3: Spread Sisterhood

- Option 2: You can take one line from the Girl Scout Law and focus on it to expand Sisterhood!
- For example: "Friendly and Helpful" you can make your sister Girl Scouts a bracelets of encouragement. Then when you see them again, you can surprise them with a gift.

Step 4: Impact your Environment

Leave the human environment better than you found it!

Take this moment to look in your "human environment" and see what you can do to make it better. For the next week make it a goal (consistently) to leave the people you encounter to feel better than you found them.

For example: Help your family make dinner or tell your friends or Girl Scouts what you appreciate about them.
