Welcome Letter

Dear Friends of Skills and Chills,

Just a few notes and reminders for our favorite Girl Scout event.

Please remember that this is a friendly competition. We uphold the Girl Scout Law treating each other with respect. Although winning is fun, there is much more to be gained from the weekend than a few ribbons.

Please email a list of the team name, your troop number and leader name, and the names of the participants in your group to **Sandi Bennett at scb113@hotmail.com** so we can make sure you are housed properly. If anyone attending Skills & Chills in your group has a **need of a special sleeping arrangements based on a medical need**, please include that information in your email to Sandi as soon as possible, so we can try to accommodate.

Please pack your gear carefully. You must carry everything with you. Remember that make-up and electronics do not belong in camp. Please do not bring cell phones, mp3 players, gaming devices, or other expensive items. We know that a number of you use your cell phones as cameras and we understand that, but please refrain from any other use with them during the event. Girl Scouts of Western New York is not responsible for lost/stolen items.

If anyone attending Skills & Chills in your group has **special dietary needs**, please contact **Nancy Grimes (716-860-7464 or ngrimes@cradlebeach.org)** as soon as possible, so we can make sure we have appropriate meals available.

If anyone attending Skills & Chills in your group has **medical needs**, please inform the nurse at check in. If you are taking any medications, adults or girls, it must be turned in at registration with the health forms. The medication must be in its original container. The name on the bottle also **MUST** match the person's name to be able to have the nursing staff dispense. And don't forget to take them home!

In the packet are some simple outlines of all the events. To view the detailed rubric utilized by our judges, please go to **bit.ly/skillsandchills** under Skills and Chills. This will allow you to see exactly how the events are being scored.

We try to have everyone understand what you carry in, you carry out. I understand with costumes sometimes a wagon for gear transportation is great but camp's supply is very limited, so if you are in need of sleds and/or wagons, please feel free to bring one.

We want to make this a memorable weekend! We look forward to seeing all of you at the 53rd Annual Skills & Chills Event!

***Sincerely,
Skills & Chills Committee***
