Shop With Me Experience

As a Girl Scout Entrepreneur, you've practiced goal setting, budgeting, and money management. Use this sheet to help you create a plan for your budget, what you'd like to purchase, or what you'd like to save for!

My Shop With Me Budget is: _____

1. What items would you like to purchase?

Cost

Cost

Cost

Ahead

Total

3. Do you have any remaining money left over?

To calculate: subtract the total cost of your items from the money you started with.

Left Over

4. How did your shopping experience go? If you have money left over, what do you plan to spend it on during your next visit? If you did not have enough, what did you have to remove from your shopping list?
