

Bling Your Booth!

Bling Your Booth is a contest where troops participate in a booth sale, walkabout or drive-thru - and decorate by adding signage, lights, and all-out bling!

Be creative!

This year's cookie theme is "Go Bright Ahead," so spotlight this theme and our dolphin mascot. Highlight your goals and community service project plans!

Showcase the 5 skills; decision-making, goal setting, money management, people skills, and business ethics is always a great addition. This lets customers know what girls learn through the Cookie Program!

Pick a theme that motivates your troop! Maybe it's sports, outdoors, travel or cooking. Remember, you are telling your troop's story through the cookie booth with cool decorations and signage.

How does the contest work?

All you have to do is decorate your booth, participate in a booth sale, photograph your troop at the booth, and submit your photo!

To submit your photo or video, watch for the Bling Your Booth post on our GSWNY Members Facebook page, and upload your photo!
