Prior to your Delivery

- Verify your delivery location and time in Smart Cookies - Go to Orders>Troop Initial Order and scroll to the bottom to view the Delivery Appointment Details.
- Please place the Windshield Flyer with your troop number and number of vehicles on your dashboard. Follow the vehicle case count diagram below to plan the number of vehicles you'll need for pickup. Remember, each car in the warehouse must have a driver in the vehicle at all times. Have excess vehicles park in the lot until needed.
- Troops must arrive at their scheduled time. Exceptions cannot be made as scheduling is done based on amount of troops and volume of cookies being moved. Orders not picked up will be returned to our delivery agent's warehouse - troops must then make arrangements to pick them up from the agent.
- We ask that all cars are clear of snow. Remove car seats and other items from your vehicle before leaving home. For safety purposes, small children and pets should be left home.
- Your full attention is required during pickup. Please keep cell phones stowed until you exit.
- All GSWNY activities are drug, alcohol and tobacco free.
