All new trained and approved leaders are encouraged to ‘attend’ a New Leader Welcome Meeting, from the comfort of your own home! At these **virtual** meetings you will be introduced to GSWNY staff, learn about council’s various departments and how they support you as a Girl Scout co-leader. Service Unit Team’s volunteers are also invited. We also have a meeting in March all about one of Girl Scouts’ hallmark programs – Girl Scout Camp! New leaders learn about both troop camping and our robust Summer Outdoor offerings for girls in preparation for summer camp season.

Virtual Meeting Agendas will include:

- Networking with other new leaders, service team members, and staff
- Introductions and overviews from support departments at GSWNY
- Time for Q&A
