Her future is our future! Join us in championing the change-makers of today who inspire our leaders of tomorrow.

Girl Scouts of Western New York is proud to present our 2025 Women of Distinction Event. Sponsoring this event provides girls with the opportunity to see into their future. Before the event, Girl Scouts take part in life-changing mentoring sessions with the Women of Distinction. Later their courage and confidence are on full display as they run the event; Girls emcee the presentation, present and honor the women, and work as greeters and Girl Scout representatives.

Women of Distinction is also an opportunity to recognize women who exemplify our mission by inspiring our Girl Scouts to dream, explore, and become creative problem solvers with the ability to tackle challenges to make the world a better place. These community leaders show strength in character, dedication to community service, and commitment to encouraging girls. We look toward the future with these women as role models in their personal and professional lives.

It's not just a fundraiser, it's a truly inspiring event with a heartwarming mission at its core.
