“EMBRACE POSSIBILITY” during the 2024 Fall Product Program and explore the world of Asian elephants.

Benefits of Participating:

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council and troops.

How the Fall Product Program Works:

It's never been easier for Girl Scouts to showcase their entrepreneurial skills and reach their goals! Girl Scouts can offer friends and family the opportunity to purchase from a variety of products. With multiple ways to participate, there's a way for everyone!

- **In-person:** Use the Nut Order Card to take orders from customers and collect payments. Parents will enter these orders into the M2OS system. Once product arrives in mid-November, girls will deliver product to customers.
- **Online:** Share your sales link through email or social media to invite friends and family to make a purchase from girl's online store front. Customers can choose to have nuts, chocolates, magazines, Tervis® Tumblers, personalized gift items or a Girl Scout themed BarkBox shipped directly to them or purchase eligible items for girl delivery.

Important Dates:

- **October 9:** Fall Product Program begins!
- **November 15:** Last Day to take in-person nut card orders! Parents enter all in-person orders into the M2OS system by 11:59pm
- **December 7:** Nut and candy items will be delivered to Service Unit Product Program Managers. SUPPM's will contact troops for pickup date/time.
- **Early January:** Program rewards will be delivered to Service Unit Product Program Managers.
