**Previous Steps:** [Site Registration](#)

### Step 1: Activate Girl Scout(s)

- Click **Activate** to confirm or update your Girl Scout's preferred name.
- **For Girl Scouts 13 and older:** Caregivers can enter the Girl Scout's email address to allow her to manage most of the Digital Cookie site independently.
  - *Note:* Girl Scouts 13+ still need an adult to approve their site and customer orders.
  - Adding an email address is **optional**. If the Girl Scout does not want a separate login, leave this field blank. **Do not enter the email address used to log in to Digital Cookie.**

### Step 2: Receive Registration Email and Click “Register Now”

- Registration emails come from “**Girl Scout Cookies**” (email@email.girlscouts.org) with the subject line: **“It’s time to register for Digital Cookie!”**
- If you don’t receive the email, refer to the **No Registration Email** [tip sheet](#).
- When the email arrives, click the pink **“Register Now”** button to go to the Digital Cookie website.

### Step 3: Create a Password

Follow the prompts to set up a secure password.

### Step 4: Watch the Safety Video
