Cookie Reward Shops powered by Amazon!

Our Cookie Reward Shops powered by Amazon are online stores where Girl Scouts choose their cookie program rewards. Each level below has its own fun theme, which includes a curated selection of dozens of recognitions - all through a convenient Amazon-powered platform. These Amazon vouchers are sent via email and are valid until July 1, 2026. After that date, the Amazon vouchers will expire and cannot be reissued.

This new reward option offers Girl Scouts access to educational, fun, and enriching items from Amazon, which celebrates their achievements and inspires new adventures!

Name: _____

Size: YM/YL/AS/AM/AL/AXL/AXXL/AXXXL

My cookie sales goal: _____ packages!

In Digital Cookie, set your cookie package goal! Circle your size and the rewards you'd like to earn! Remember, rewards are cumulative!

Rewards may be substituted; images shown are for reference only. Smart Cookies choices are final. Program Reward Cards are non-transferable and may be used at GSWNY Shops, camps, council programs/trips, and international travel. Older Girl troops (CAD/SR/AMB) may waive rewards for an extra \$.13/package; patches, early recognitions, Troop Experience, and sweatshirt still apply.

It's Your Turn to Choose! Each level has 15-20 items to choose from!
